More info on reverse

You do have a choice where your Arizona income tax dollars go.

It's a simple choice and here's how it works:

- Fill out a donation form. Write a check payable to: H.E.L.P. – Tuition Tax Credit and send it to the correct address.
OR
You can donate online at: www.HelpFoundationOnline.org.
- You will receive a receipt acknowledging your donation by the following January 31.
- Bring your receipt to your accountant upon doing your taxes to take advantage of the tax credit.
OR
If you are doing your own taxes, you will need to get forms 301 & 323. The forms are available from our website at: www.HelpFoundationOnline.org. Click on "Claiming your Credit." Or, phone the AZ Department of Revenue at 602-542-4260.
- You will receive a refund of any amount you donate as long as your tax liability equals that amount (up to \$1,000).

What's it all mean?

Tax credits differ from tax deductions. A deduction reduces the amount of income subject to taxation, while a credit is a dollar-for-dollar reduction in the taxes owed.

For example, if a taxpayer owes the state of Arizona \$1,000 for state taxes, by law you are able to donate your \$1,000 to help offset tuition at one of our Lutheran schools instead of giving it to the state.

Sound too good to be true?

Your tax credit donations will provide tuition scholarships for students in grades K-12 who otherwise could not afford to attend private schools.

The only catch is that your donation must be post-marked by **December 31** to be claimed as a credit for this year.

Tuition scholarships for students

Scholarships will be awarded to students whose parents complete the application form and return it according to the guidelines on the application form.
